

APPLICATION FOR FENCE PERMIT

Physical Address: _____

Property Owner/Applicant: _____

Applicant: _____

Phone Number: _____

- All fence permit requests shall adhere to Chapter 9, Section 9.340 *Fences and Walls* of Ashland's adopted Code of Ordinances. A copy of this section has been attached to this application.
- Please circle the type of fence: Wood Chain Link Aluminum Vinyl
Barbed Wire Other: _____
- Fence height: _____ feet
- The presence of easements on your property may influence your decision to install a fence. The City will inform you of the presence of any known easements in order to help you with this decision.
Are you aware of any existing easements on your property? _____
- Applicants shall understand that homeowners associations or neighborhood covenants may prohibit or restrict fences within certain subdivisions. The City does not maintain lists of these regulations and does not enforce them. The issuance of a City fence permit shall in no way be viewed to supersede these requirements. It is the applicant's responsibility to ensure that all fences adhere to the specific requirements of their neighborhood associations or covenants. _____
- Please attach a survey or sketch of your property showing the property lines, structures, adjacent streets, driveways, and proposed fence locations.
- Proposed fence location must be staked out prior to inspection. The City has up to 3 business days to complete an inspection.

I hereby certify that I have read and understood this application and confirm that the information I have provided is accurate to the best of my knowledge.
