Chairman Jerrod Bryan called for a motion to approve the minutes from the May 8, 2017 meeting. Motion was made by Board member Vee Fasciotti and seconded by Board member Cynthia Wills to approve the minutes as corrected. Motion carried.

Guest Comments: Eric Bormann of Community Bank spoke regarding the community garden they are trying to implement. Community Bank owns the lot at the corner of College and Redbud and would like to use this space for the community garden. Phase 1 would consist of 4-8 raised beds. They are looking to businesses to sponsor each bed and would like to offer local churches the opportunity to rotate to maintain the beds. Beautification is an option as well as produce. Ernie Wren, board member for the Learning Garden, spoke on their behalf. He stated that in the fall, K-5 would be taking over the Learning Garden through the school, so the community garden would be beneficial for those students that are interested in middle school and high school to be able to participate. Eric Bormann stated that it is his understanding that Jenny Grabner would be able to get plants donated for the first year and if produce were planted, he would like to see some of that be able to benefit the Buddy Pack Program.

Christine Sapp was given an opportunity to speak and stated she was here to see what events the Park Board had planned regarding the Solar Eclipse.

New Business: Chairman Jerrod Bryan mentioned the need for a 5-year plan. He, along with Board Member Sandy Robinson-Harris and Alderman Jesse Bronson will work together on verbiage regarding the park tax and ideas for a 5-year plan. Board Member David Mars does not feel like a eighth of 1 percent sales tax will do any justice over a 5-year period. Discussion followed regarding what the Park Board can handle.

Old Business:

1. Solar Eclipse: Board Member Sandy Robinson-Harris stated that the sale of the solar glasses is going well, the Optimist Club is renting out spots on their property for those interested and possibly wants to help with the sale of the glasses. The optimist board has not yet decided on the glasses but would entertain the idea of partnering with the Park Board for the Solar Eclipse event. Jason Holbrook, will have his Eagle Scoop truck in town for the day of the event from approximately 10-4. Chairman Jerrod Bryan will talk to Jose Jalapeno's to see if they are interested as well. Guest Christine Sapp mentioned that the Legion is considering selling burgers or something along those lines.
2. 4th of July Parade: Line up for the parade will be at 8:30 am at the Primary School. The parade route is to go north on Henry Clay, turn left onto Broadway, then right on North Main street and will end at the Middle School. The tractor parade that the methodist church is doing will turn south on Main Street instead of turning north.
3. Future Events: Chairman Jerrod Bryan stated that due to the Park Tax, there are more pressing issues to focus on currently. Board Member David Mars suggested a dinner and dance as a fundraiser.
4. Park Tax: Chairman Jerrod Bryan handed out some information regarding the benefits of parks and to assist with verbiage when trying to educate the community about the Park Tax. He also asked if everyone would be available to hold a special meeting on June 26, 2017 to work on the Park Tax.

Individual Reports:

Board Member Sandy Robinson-Harris reported on the Avenue of Flags: She is working with the Optimist Club for expansion and also discussed the procedures that Centralia has in place for this type of project. The new area could possibly have a new name and not detract from the current Avenue of Flags.

Board Member Cynthia Wills reported on some ideas for creating an online survey and the 5 year plan. Bathroom conditions need improvement, such as soap, regular cleaning and more trees. It was also mentioned that the Park Board, thinks too small. An online survey is still under consideration.

Board Member David Mars noticed that workers were spraying while children were present - maybe this should be done later.

Chairman Jerrod Bryan reported for Marilyn McGuire in her absence that the mulch needs to be refreshed. Also inquired as to whether the art department may be interested in doing a mural on the outside of the bathrooms. Marilyn will have more information at the next meeting.

Chairman Jerrod Bryan reported that he thinks there should be a "catch and release" sign at park. Also, the park sign needs to be moved to the east side of college.

City Administrator's Report:

Motion was made by Board Member Sandy Robinson-Harris and seconded by Board Member Pamela Dees to adjourn the meeting at 8.20 p.m. Motion carried.
