APD Monthly Report to the Board of Alderman

For the November 2nd, 2021 meeting

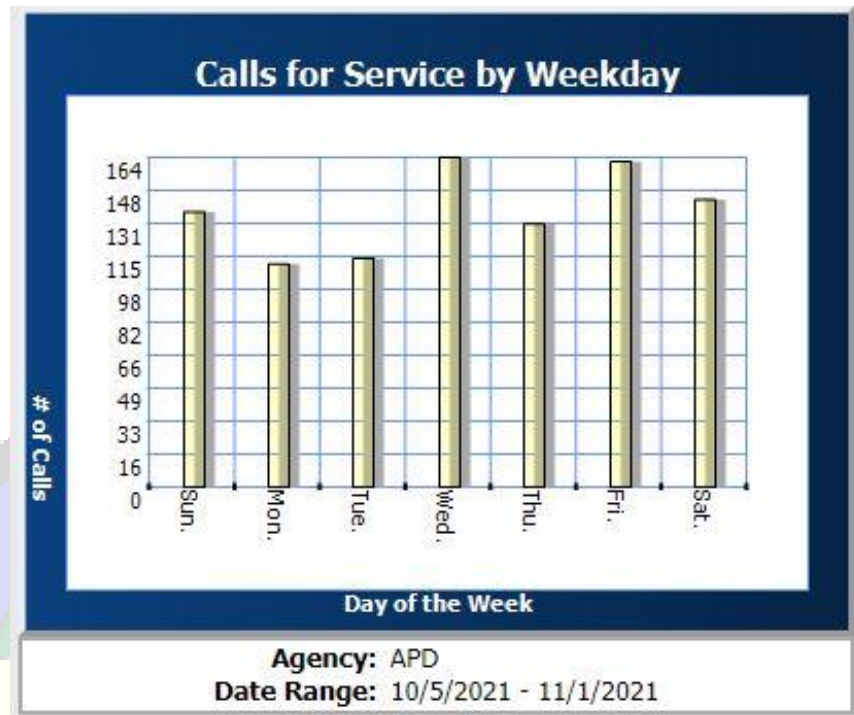

- **Vehicles and other police equipment**
 - All new vehicles have been completed and have been placed in service.
 - Traffic counter has been used extensively throughout the city. Several completed traffic study summaries are included with this month's report.
- **Personnel**
 - A full-time officer has resigned due to family needs, however remained on our roster as a part-time officer. This brings us to two full-time vacancies, with one candidate in the background phase. The background on the candidate should be complete soon.
